

橋梁の諸元に関する項目

橋梁点検に関する項目

Table with columns for bridge ID, name, route, construction year, span length, width, and inspection records. It includes detailed data for various bridges such as 上校8号橋, 吉川9号橋, etc., with specific inspection dates and results.

橋梁の諸元に関する項目

橋梁点検に関する項目

Table with columns for bridge ID, name, route, construction year, span length, width, and inspection details. It includes a grid for inspection plans (点検計画) and records (点検記録) for three consecutive years (1st, 2nd, and 3rd year).
